

cppu::SocketBuffer

```
classDiagram
    class cppu_TCPConnection["cppu::TCPConnection"]
    class cppu_SocketBuffer["cppu::SocketBuffer"]
    cppu_TCPConnection --|> cppu_SocketBuffer
```

The diagram illustrates a class hierarchy. At the bottom is a white rectangular box with a black border containing the text 'cppu::TCPConnection'. A vertical blue line with a triangular arrowhead points upwards from this box to a gray rectangular box with a black border at the top, which contains the text 'cppu::SocketBuffer'. This indicates that 'cppu::TCPConnection' inherits from 'cppu::SocketBuffer'.

cppu::TCPConnection
